

Registered Nurse - Palliative Care

- **Full-time, permanent, equitable rostering**
- **Great location, peaceful surroundings...and free parking!**
- **Strong focus on employee wellbeing with continuous learning & development**
- **Most importantly, the opportunity to Make Hospice Happen**

The Purpose...

Totara Hospice's vision is to honour living and dignify dying (www.totarahospice.co.nz). We do this by providing leading edge hospice palliative care services to eligible individuals with life limiting illnesses, their families, caregivers and communities in South and South East Auckland.

The Role...

Totara Hospice has just entered the Generation 3 phase of its journey. We have an integrated care management style that follows and supports the patient's journey at all points, and which is underpinned by a Te Whare Tapa Wha approach where the team collaborates in partnership with the patient and whānau. Multidisciplinary case conferencing provides a cornerstone for all service delivery. Our staff work across all professions, and roles are exposed to the entire service continuum, and understand all the points in a journey of Hospice care for the patient and family. Clear care pathways or programmes are applied to each episode of care. We're contemporary, agile and our staff work at the top of their scopes of practice across each role.

South Auckland is a melting pot of ethnicities and cultures and we are a workforce who reflect our diverse community. We believe that our diverse & inclusive workforce is key to the impact and value of services we provide to our community. We would further like to enhance this and are seeking to hire Palliative Care Registered Nurses to support this diversity, who are comfortable working within a Multi-Disciplinary Team (MDT).

The Person...

To be successful for this role you will need:

- A current New Zealand Practicing Certificate as a Registered Nurse
- Experience in completing full, comprehensive assessments
- Palliative Care experience, and relevant postgrad qualifications
- Proven ability to effectively liaise with other health professionals and multi-disciplinary teams
- Experience working within a multi-cultural environment with particular appreciation of tikanga Maori and the importance of whānau involvement in the delivery of Palliative Care
- Ability to speak Te Reo Maori would be an added advantage

This is a great opportunity for experienced nurses who have an interest in Hospice/Palliative care to make a real difference in the lives of patients and their families.

If you wish to learn more about the role, please contact Georgina Miller, Clinical Services Manger directly on 09-6400278
