Do some Good with your clear out, if you don't need it, don't throw it away. Our shops will be delighted to receive your Good quality pre-loved donations, so do share with us.

Totara Hospice Charity Shops run on the generosity of you, our community. The funds raised from selling quality clothing, furniture and household items that you have kindly donated, goes directly to help patients and their whānau travelling the journey of a terminal illness. So donate your loved but unwanted Good quality items, you'll be sending them on their way to a new home, and ensure that goods stay in use and out of landfills.

Time for a clean out?

It's no secret that Totara Hospice's Charity Shops are the Aladdin's caves of eclectic items. Take the time to take our Roadtrip to visit a number of them or just pop into your local shop. You will be rewarded. Raffle through the rails of clothes and shelves of great stock, to find what's perfect for you.

Better still, every purchase supports a wonderful cause; you will be Making Hospice Happen in your community. Also it's far more sustainable than another online spree, and heaps more fun. So what are you waiting for? We aim to provide an affordable shopping experience for our community - we hope to see you soon!
